

Board of Directors

Lana Tipton

Although I began my hunting adventures during my teenage years, my compassion and true love for the outdoors started in 2005. I have served on SCI's Board for the past 3 years and I truly believe in this organization. I am proud to be a member.

Tim Tipton

I found my love for wildlife and the outdoors at a young age. I enjoy sharing my experiences and teaching friends and family the wonders of the great outdoors. I have served on the Board of Directors for 2 years. I feel SCI is the single most important organization any outdoorsman should be long to.

Paul Thomas

Paul is one of the founding members of this Chapter, has worked on the Fund-raiser every year, has given donations, headed up the Taxidermy displays, and given hunting presentations at monthly

meetings, and now serves on the Board of Directors. (We also supplied the Chapter with our son Rhyde, who is on the Board.)

Rhyde Thomas

I grew up in a family for whom hunting and fishing was a way of life and our livelihood. I've had the opportunity to hunt in both the US and Africa. Hunting has allowed me to meet some wonderful people along the way, all with a common interest in conserving both wildlife and our way

of life. I am a life member of SCI and have been a member for over 20 years. This year, I am the Awards Chairman for the East Ohio Northwest Pennsylvania chapter. I serve my chapter because I believe that we need to ensure that our families continue to have the opportunity to enjoy hunting and the outdoors, and SCI does that for all of us.

David Stebelton, O.D.

He has been on the Board of Directors for many years and is on our Program Committee. He always helps at our fundraiser and enjoys fishing with his son at our annual picnic.
